

THIS CHANGES EVERYTHING: EVEN THE CHURCH?

On **Tuesday, January 16th**, the St. James Social Justice Group in partnership with Our Lady of Guadalupe Tonantzin Community is hosting dinner and a screening of the movie ***This Changes Everything***.

Bishop's Room at 6:30 p.m.

**After film discussion facilitated by Rev. Laurel Dykstra
of Salal & Cedar Watershed Ministry**

“This Changes Everything presents seven powerful portraits of communities on the front lines of both fossil fuel extraction and the climate crisis it is driving, from Montana’s Powder River Basin to the Alberta Tar Sands, from the coast of South India to Beijing and beyond.”

“While the movie is not explicitly “faith-based,” it is sparking dialogue in faith communities across the country. Could Naomi Klein’s new movie on climate change prompt Christians to change the way they do church and live out their faith?” (Surrey Interfaith Council)
