

# THE EMMAUS EXPERIMENT: MISSIONAL LABORATORIES FOR CONGREGATIONS

@ St. Andrew's Hall Centre for Missional Leadership

**Join us in creating a missional lab in your church to help recognize Jesus at work in your neighbourhood!**

We invite teams (Pastor and a minimum of 2 church leaders) from local congregations to join Dr. Darrell Guder at St. Andrew's Hall in the study and practice of Missional Theology. Teams will be equipped and sent out to practice one new missional experiment in their church and community over a nine month period. Transportation to SAH is up to participants but meals and snacks will be served for free! Join us in witnessing God at work in our world!
